

Dear Sir/Madam,

I am called

and

I am writing from

The forest School, Knaresborough

to wish you a very

Merry

Christmas!

I

would

like

to

tell

you about

how

I

will

be

celebrating

Christmas

this year

and to

ask

you some

questions

about your

Christmas

celebrations

in Afghanistan.

This year,

I

will

wake up

in

my house

at

4

o'clock

and will

Open my presents, eat Christmas dinner and

Watch the Christmas Carol from Disney.

Your questions:

Will you have a wonderful Christmas?

Do you listen to Christmas Songs?

Will you have a Christmas lunch?

What time will you wake up? ✓

Your Christmas Wishes:

I hope you have a happy Christmas! I really

hope you enjoy Christmas with your friends. I

Wish you <sup>all</sup> came home and <sup>tell</sup> told your family about having

Christmas in Afghanistan! ✓

It would be happy and pleased if you  could  find the  time to  write back,

however,  I  am sure you are  extremely  busy.

Yours

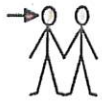

*faithfully*

Can you draw me a Christmas scene of the soldiers?

Maybe they are opening presents together, eating Christmas dinner or singing

carols.

*HAPPY  
Christmas*
